News & Updates in Translational Science (Medicine, Agriculture & Applied Biology) Experience from Recent International Research and Academic Collaborations

Coordinators:

October 18th 2018, 09h-13h,
Multidisciplinary Faculty of Nador

- Prof. Hicham Mansour (Ph.D.)
- Prof. Kamal Aberkani (Ph.D., Ing.)

Keynote Speakers

Prof. Hicham MANSOUR

Cancer genomics: from discovery science to Cancer Management and Treatment

International Summer School Program on Urban Agriculture & DAAD program

Prof. Kamal ABERKANI

Marine Sciences Opportunities in Nador Area

Prof. Hassan GHAZAL

American Society for Microbiology

Prof. Salah Eddine SAMRI

**International Summer School :
Genomics for Plant Breeding and Biotechnology**

Dr. Lamiae AMALLAH (PhD)

Potential Research Collaboration on Cancer Biomarkers

Organizing & Scientific Committees

Prof H. Mansour, Prof K. Aberkani, Prof H. Ghazal, Prof S. Samri, Dr Naima Anouar, Dr L. Amallah, Prof M. Atounti, Prof A. Azdimousa

Salma Aqodad

Youness Amrani

Taoufik Libiyi

Soukayna Lemallam

PROGRAM

08h45- 09h00	Registration	
09h00-09h30	Opening Ceremony	Prof Ali Azdimousa, Dean of Multidisciplinary Faculty of Nador
Chairs: Prof. Kamal Aberkani, Prof. H. Ghazal & Prof. S. Samri		
09h30-10h00	Cancer genomics: from discovery science to Cancer Management and Treatment	Prof. Hicham Mansour (FPN)
Chairs: Prof. H. Mansour, Prof. H. Ghazal & Dr. L. Amallah		
10h00-10h30	International Summer School Program on Urban Agriculture	Prof. Kamal Aberkani (FPN)
10h30-11h00	Marine Sciences Opportunities in Nador Area	Prof. Hassan Ghazal (CNRST)
11h00-11h15	American Society for Microbiology	Prof. Salah Eddine SAMRI (FPN)
Chairs: Prof. S. Samri, Prof. H. Ghazal & Prof, H, Mansour		
11h30-11h45	DAAD program and Activities in the Maghreb (Deutscher Akademischer Austauschdienst): DAAD	Prof . Kamal Aberkani (FPN)
11h45-12h00	International Summer School: Genomics for Plant Breeding & Biotechnology	Dr. Lamiae Amallah (Chamber of Commerce, Industry & Services of East)
12h00-12h10	Potential Research Collaboration on Cancer Biomarkers (example of ovarian cancer)	Soukayna Lemallam, Taoufik Libiyi, Salma Aqodad & Youness Amrani (SVI Students)
12h10 - 13h00	Round Table : Debat & Discussion	Scientific Committee
